Maurice's connection to the GWT is currently unknown. We have two Wooster families who lived in that area.

Harold Wooster (1877-1955)

(<http://woosterfamily.co.uk/TNG/getperson.php?personID=I00866&tree=GWTpublic>) is buried at Lower Hutt and we believe Maurice might well be a descendant of Harold.

The other possibility is Charles Walter Wooster (1884-1949)

(<http://woosterfamily.co.uk/TNG/getperson.php?personID=I03619&tree=GWTpublic>) We think this is less likely since this particular family is better known to some members of the Wooster Family Group.

There are of course many other possibilities!

If you know of Maurice's connection to the GWT please let us know.
